

## Annual Report to Council 2018

### General Information

Logo	Organisation	
	Healthcare Engineering Association of Japan	
	Certificate Number	Number of Members
	A020	937
	Date of Issue	
1984		

Additional Distinctions	Association Abstract
	<p>HEAJ was established in 1953 with the aim of promoting research and technological advances throughout healthcare facilities. Membership is comprised of medical doctors, consulting engineers, facility managers, manufacturers as well as researchers in the field of healthcare engineering. Our activities include establishing healthcare facility design guidelines, education and accreditation of Certified Hospital Engineers, and the publication of our Journal, as well as holding annual symposiums in conjunction with an exhibition (HOSPEX Japan) of the latest medical equipments from Japan.</p>

### Update and Academy (September 2017 – October 2018)

(Conference, Course, Technical Educational Leading to Qualifications Seminar, Branch meeting, Congress, etc)

Kind	No.	Title	Hours
Conference/Exhibition	1	HOSPEX2017 Conference and Exhibition	24
Courses		Hospital Engineering Design Guidelines - Cogeneration	4
Technical Educational leading to qualifications	3	Certified Hospital Engineers Seminars & Examinations	12
Publications	5	Journal of Healthcare Engineering Association of Japan	
Publications	1	Hospital Engineering Design Guideline - Cogeneration	
Research/Survey		Energy use in Hospitals (15 facilities)	
Research/Survey	5	International Comparison of Design Guidelines of Hospital Rooms (ongoing)	
Research	4	Study of Electromagnetic Environment in Hospitals	
Technical Visits	3	Latest medical facilities	6

### Brief activity report of the organisation (additional activities)

General Meeting held in May 2018

Note: This document must be presented with "National Member Data Sheet" updated.
