Association Abstract

The Cuban Committee for Hospital Architecture and Engineering, CCAINH, was established on November 27, 2011, by agreement No. B-503, of the National Executive Bureau and ratified by the National Board of Directors of the National Union of Architects and Engineers of Cuba, UNAICC in Spanish, as per agreement No. J-393 recorded in Minutes J20 / 2011 of the National Board of Directors, in Folio 333. It was certified by the Cuban Ministry of Justice on August 6, 2014.

UNAICC's entry, through CCAINH, into the International Federation of Hospital Architecture and Engineering (IFHE), on October 14, 2014 during the 23rd Congress of the International Federation of Hospital Architecture and Engineering held in Buenos Aires, Argentina, as National Association, category "A", member A-48, with the support of the Argentina Association of Hospital Architecture and Engineering (AADAIH) and the Brazilian Association for the development of Hospital Buildings (ABDEH), meant the recognition of the work undertaken since 1998, to date, and posed commitment for Cuban professionals to meet the challenges and alternatives for physical resources in the Americas
